OUR HOSPITALITY

At Draycote Hotel we recognise the importance of having your catering and hospitality requirements *'tailor-made'* to your needs. As such, we have designed our menu and hospitality offer to exceed our client's expectations. Our customers come first, so our menu choices can be adapted to your specific preferences, especially in respect of dietary and allergen requirements and special requests.

Our goal is to deliver healthier, tastier and more sustainable menus for our clients with a focus on locally sourced, provenance and compliance. Our Hospitality selections should cover most of your catering needs, but bespoke menus can be written and tailored to any event. So, please do not hesitate to contact the team to discuss your specific requirements.

MENUS

Our menu has been prepared by our highly skilled culinary and food & beverage teams and is designed to offer a variety of traditional British and International choices created in our own kitchens by our award-winning kitchen brigade who have a wealth of both UK and international experience from independent local, Boutique hotel and restaurant properties to International 5-star, luxury hotels.

The menus deliver a wide variety of hospitality solutions from small working lunches and light buffets to all day, fully inclusive Delegate Packages, Wedding Breakfasts, Banqueting and Private Dining.
